

STORIES FROM THE RICH PAST OF OUR PARISH

The current situation of the "VINEGAR BIBLE"

A meeting was held on July 23 concerning the future of this important book. In attendance were, the Rector, Warden Peter Allan, Conservator Ruth Legge, Walter Oestrum, and George Munroe. It was agreed that the case and stand would be built by Peter Allen and paid for by Walter and Elaine Oestrum in memory of their son in law.

The Bible was taken to Wolfville by Conservator, Ruth Legge, who will repair damage done by its transport and display. Ms. Legge will also work with Peter Allen to build a box which will enable the Bible to be used on a regular basis. It is hoped that the Bible will be ready for use for Christmas 2008.

An interesting note: I have recently come across the deed for pew No. 39 dated December 1813, which was purchased by George Walter Selig. The purchaser was the great, great, great Grandfather, of George Munroe, author of this note.
