The Chimes of St. John's

The Chimes of St. John's were presented by Lieut. C.E. Kaulback, M.P. They were rung for the first time on Nov. 14th, 1902. Over the years the chimes have been played by seven faithful persons: Alfred Morash 1902-1905, J.F. Arenburg 1905-1915, Carl Seaboyer 1915-1916, Professor C.M. Wright 1916-1918, J.F. Arenburg 1918-1941 (Mr. Arenburg served his country in the First Great War), Lewis Arenburg 1941-1979, Edison Tanner 1979-1994, Peter Allen 1994 to the present. (Peter completely rebuilt the chime stand after the fire of 2001.) The chimes of St. John's are heard on all great occasions and for regular services.
